

Reference Power Grids

Switchgear Camera Systems

You can rely on our expertise and profound experience. For more than a decade now, we have been developing and manufacturing switchgear cameras and systems for major clients in the industry.

Company	Installations	Business Units
Siemens Gas & Power, Siemens Energy	Worldwide e.g. Germany, USA, Canada, Russia, Australia	Gas-insulated switchgears for high-voltage and mid-voltage power grids Hybrid Switchgears Generator Circuit-Breakers
Hitachi ABB	Worldwide e.-g. Switzerland, USA (Hoover Dam), Canada, Russia, Australia, Italy	Gas-insulated switchgears for high-voltage and mid-voltage power grids Hybrid Switchgears Generator Circuit-Breakers
HICO Hyosung Corporation	Worldwide, e.g. USA, Canada, Switzerland	Gas-insulated switchgears for high-voltage and mid-voltage power grids Hybrid Switchgears Generator Circuit-Breakers
General Electric Power	Worldwide, e.g. USA, Canada, Switzerland	Gas-insulated switchgears for high-voltage and mid-voltage power grids Hybrid Switchgears Generator Circuit-Breakers
Schneider Electric	Worldwide, e.g. Germany, Spain, Turkey, USA, Canada, China	Gas-insulated switchgears for high-voltage and mid-voltage power grids Ring Main Units mid voltage
